Activity At HAND
Transforming Shapes
Play-Doh Activity

1. Take the play-doh out of the container
2. Roll and squeeze the play-doh until it is soft

Using the play-doh, create the below shapes one at a time
- Circle
- Square
- Star
- Snake
- Sun
- The first letter of your name

Play-Doh can often be difficult to remove from its container. Assistance may be needed for this step.

Instead of creating the shape on your own you can use the following stencils to guide your shapes.

1. Take a picture of your project
2. Visit hhcenter.org/adult-day-program/
3. Click the link that reads Activity Submissions
4. Upload the picture
