

# HHC COMMUNITY CONNECTIONS

Dynamic partnerships built through customized  
volunteer experience and investment.

## Adopt-A-Home

Residential Living Services provide over 70 adults the opportunity to live in community-based homes with 24/7 staff support. Residents receive complete and individualized residential services under the direction of a community support team. Each resident works with a dedicated Case Manager, whom assists them with setting and achieving goals.

### ENGAGEMENT

- Spring yard work
- Summer gardening
- Holiday decorating/drive
- Dinner/game night event

## Creating Connections

Community Day Services provide 220 individuals a place to continue developing skills through a variety of groups and classes that promote lifelong learning and education. Our dynamic classes have both on-site and virtual content allowing for engagement, connection and learning from afar.

### ENGAGEMENT

- Participate in a virtual leisure activity through video conferencing with clients and staff.
- Cooking class
  - Life skills activity
  - Art project

## Workforce Development

Employment Services provide Vocational Training, Job Placement Services and Employment Consultation to assist more than 130 individuals preparing for, finding, and maintaining jobs in the community based on their career interests and skills. Vocational Counselors and Specialists provide support to both the employer and employee throughout the hiring, training and employment process.

### ENGAGEMENT
